

AIEN Regional Chapters

Which Regional Chapter should I select? Your Primary Region should be selected based on your main physical office or school location address. You will only have one Primary Region, but can select any number of Secondary Regions based on your interests to receive notifications for those regions. **EXAMPLE:** An exploration manager's main office location is Houston, but primarily works and travels to Africa. The member would select United States as Primary Region and Africa as Secondary Region.

AFRICA

Angola	Ethiopia	Niger
Benin	Gabon	Nigeria
