

CORPORATE SPONSORSHIP

www.aien.org • CorporateSponsorship@aien.org

WHY BECOME A CORPORATE SPONSOR?

AIEN relies upon the generous financial support of numerous organizations including corporations, law firms, national oil companies, individuals and others to undertake the activities of the association. With your support, AIEN can continue to offer high-quality programs and services including support for developing industry accepted model contracts, research papers, workshops and training courses.

Our Corporate Sponsors also allow AIEN to foster the next generation of international energy negotiators by providing academic scholarships to students, scholarships for students to attend AIEN's International Energy Summit, awarding students as part of a writing competition, and funding academic research and employment for students over the summer. Our Corporate Sponsors are invaluable to the mission of our organization and the work that we do.

Be recognized as a proud sponsor of the premier international negotiators organization, which promotes fair and balanced model contracts, provides high quality educational material, and organizes networking opportunities with key industry leaders and decision-makers.
